Case No. 19-CV-00332-SRB

**DECLARATION OF JENNIFER M. KEOUGH
REGARDING NOTICE PLAN PROGRESS**

I, Jennifer M. Keough, declare as follows:

1. I am Chief Executive Officer, President, and Co-Founder of JND Legal Administration LLC (“JND”). I have more than 20 years of legal experience creating and supervising notice and claims administration programs and have personally overseen well over 1,000 matters. I am regularly called upon to submit declarations in connection with JND’s notice and administration work. A comprehensive description of my experience is attached as **Exhibit A**.

2. This Declaration describes the implementation of the Notice Plan, as outlined in my Declaration Regarding Proposed Notice Plan, dated November 17, 2023.

NOTICE PROGRAM SUMMARY

3. The Notice Program consisted of the following elements:

a. Direct Notice to all potential Settlement Class Members who JND located through third-party data.

b. A targeted digital effort with the leading digital network (Google Display Network - “GDN”), the top social media platform (Facebook), and a respected programmatic partner (OMTD).

c. A notice placement in a popular consumer magazine (Better Homes & Gardens).

d. Additional efforts including an internet search campaign to assist interested potential Settlement Class Members in finding the case website, the distribution of a national press release, and sponsorships with popular class action websites (TopClassActions.com and ClassAction.org).

e. An established case-specific Settlement website where information about the Settlements, as well as copies of relevant case documentation, including but not limited to the Settlement Agreements, the Long Form Notice (attached as Exhibit B), and the Claim Form (attached as Exhibit C), is accessible to Settlement Class Members. Settlement Class Members will also be encouraged to file claims online through a secure portal on the website.

f. An established toll-free telephone number with an Interactive Voice Recording system (“IVR”) that Settlement Class Members may call to obtain more information about the Settlements and request copies of the Long Form Notice and Claim Form.

4. Based on my experience in developing and implementing class notice programs, I believe the Notice Plan met, and exceeded, the standards for providing the best practicable notice

in class action settlements. Each component of the proposed Notice Program is described in more detail in the sections below.

DIRECT NOTICE

5. To prepare direct notice to Settlement Class Members, JND worked with a third-party data aggregation service to acquire contact information for potential Settlement Class Members.

6. JND promptly loaded the Settlement Class Members' contact information into a case-specific database for the Settlements. A unique identification number was assigned to each potential Settlement Class Member record to identify them throughout the administration process.

7. JND conducted a sophisticated email append process to obtain email addresses for as many potential Settlement Class Members as possible. The email append process utilized skip tracing tools to identify any email address by which the potential Settlement Class Member may be reached if an email address was not provided in the initial data. JND then reviewed the data to identify any undeliverable email addresses and duplicate records.

Email Notice

8. Prior to sending the Email Notice, JND evaluated the email for potential spam language to improve deliverability. This process included running the email through spam testing software, DKIM¹ for sender identification and authorization, and hostname evaluation. Additionally, we checked the send domain against the 25 most common IPv4 blacklists.²

¹ DomainKeys Identified Mail, or DKIM, is a technical standard that helps protect email senders and recipients from spam, spoofing, and phishing.

² IPv4 address blacklisting is a common practice. To ensure that the addresses being used are not blacklisted, a verification is performed against well-known IP blacklist databases. A blacklisted address affects the reputation of a company and could cause an acquired IP addresses to be blocked.

9. JND used industry-leading email solutions to achieve the most efficient email notification campaign. Our Data Team is staffed with email experts and software solution teams to conform each notice program to the particulars of the case. JND provided individualized support during the program and managed our sender reputation with the Internet Service Providers (“ISPs”). For this program, we analyzed the data and monitored the ongoing effectiveness of the notification campaign, adjusting the campaign as needed. These actions ensured the highest possible deliverability of the email campaign so that more potential Settlement Class Members received notice.

10. JND utilized a verification program to eliminate invalid email and spam traps that would otherwise negatively impact deliverability. We then cleaned the list of email addresses for formatting and incomplete addresses to further identify all invalid email addresses.

11. To ensure readability of the email, our team reviewed and formatted the body content into a structure that is applicable to all email platforms, allowing the email to pass easily to the recipient. Before launching the email campaign, we sent a test email to multiple ISPs and opened and tested the email on multiple devices (iPhones, Android phones, desktop computers, tablets, etc.) to ensure the email opened as expected.

12. Additionally, JND included an “unsubscribe” link at the bottom of the email to allow potential Settlement Class Members to opt out of any additional email notices from JND. This step is essential to maintain JND’s good reputation among the ISPs and reduce complaints relating to the email campaign.

13. Emails that are returned to JND are generally characterized as either “Hard Bounces” or “Soft Bounces.” A Hard Bounce occurs when the ISP rejects the email due to a

permanent reason such as the email account is no longer active. A Soft Bounce occurs when the email is rejected for temporary reasons, such as the recipient's email address inbox is full.

14. When an email is returned due to a Soft Bounce, JND attempted to re-send the email notice at least three additional times in an attempt to secure deliverability. If the Soft Bounce email continued to be returned after additional attempts were made, the email was considered undeliverable. Emails that resulted in a Hard Bounce were also considered undeliverable.

15. The email notice campaign commenced on February 2, 2024. JND emailed notice to all potential Settlement Class Members for whom JND obtained a valid email address from the third-party data aggregator or the append process noted above. The email notice contained links to the Settlement Website and directed potential Settlement Class Members to visit the website to learn more information and submit an online claim.

16. As of the date of this Declaration, JND has sent a total of 27,104,122 email notices, of which 3,427,558 bounced back and were not deliverable.

Postcard Notice

17. JND sent a color Postcard Notice to known potential Settlement Class Members for whom an email address was not available or for whom the Email Notice was deemed ultimately undeliverable.

18. Prior to sending the Postcard Notice, JND performed address research using the United States Postal Service ("USPS") National Change of Address ("NCOA") database to obtain the most current mailing address information for potential Settlement Class Members. At my direction, JND staff tracked all Postcard Notices returned undeliverable by the USPS and promptly re-mailed Postcard Notices that were returned with a forwarding address. Also, with my oversight, JND staff took reasonable efforts to research and determine if it is possible to reach a potential

Settlement Class Member for whom the Postcard Notice was returned without a forwarding address by mailing to a more recent mailing address at which the potential Settlement Class Member may be reached.

19. As of the date of this Declaration, JND has sent 10,406,670 postcard notices to potential Settlement Class Members, of which 741,336 have been returned as undeliverable. Additionally, JND has promptly forwarded 61,581 postcard notices to updated addresses.

20. As of the date of this Declaration, JND has sent 106,206 postcard notices to updated addresses obtained through advanced address research.

21. The direct notice program here was extremely successful and reached more than 85% of the potential Settlement Class Members. While the direct notice program was extensive, JND also implemented a comprehensive media notice program to supplement the direct notice program, as discussed below.

MEDIA NOTICE

Digital Notice

22. JND designed and implemented a robust media campaign which alone reached more than 71% of potential Settlement Class Members. As part of the media campaign, JND launched a nationwide digital effort with GDN, Facebook, and OMTD, a programmatic partner. Digital advertisements appeared from February 2, 2024, through March 13, 2024, on GDN and Facebook, and from February 6, 2024, through March 13, 2024, on OMTD. In total, the digital effort delivered 312,112,000 impressions³ to adults 35 years of age or older, 1,112,000 more impressions than originally planned.

³ Impressions or Exposures are the total number of opportunities to be exposed to a media vehicle or combination of media vehicles containing a notice. Impressions are a gross or cumulative number that may include the same person more than once. As a result, impressions can and often do exceed the population size.

23. To concentrate efforts on potential Settlement Class Members, a portion of the GDN activity specifically targeted homeowners and/or users who searched on Google for key terms related to this matter, such as Burnett, Moehrl, NAR, National Association of Realtors, Burnett MLSs, Moehrl MLSs, Three MLSs, MLS PIN, Five MLSs, Bright MLS, Six MLSs, Four MLSs, My Florida Regional, RE/MAX, RE/MAX Settlement, Anywhere Real Estate, or people who browsed websites similar to www.anywhere.re, www.remax.com or use apps similar to RE/MAX Real Estate. From February 27, 2024, through March 13, 2024, a portion of GDN activity was dedicated to serving notices about the Moehrl litigation.

24. A portion of the Facebook impressions targeted users who recently moved or expressed an interest in homeowner associations, moving companies, real estate, and/or RE/MAX.

25. All of the OMTD programmatic impressions targeted users based on “length of residency” being between 3-10 years, and those who were likely homeowners or anyone who sold a house one or more years ago to narrow our focus on potential Settlement Class Members.

26. The digital activity was served across all devices (desktop, laptop, tablet, and mobile), with a heavy emphasis on mobile devices. The digital ads redirected users to the Settlement website, where potential Settlement Class Members could access more information about the Settlements, including the Long Form Notice, as well as file a claim electronically.

27. Screenshots of the notices as they appeared on GDN, Facebook and OMTD, are attached as Exhibit D.

Print Notice

28. JND caused a full color half page notice placement to appear in the March 2024 issue of Better Homes & Gardens magazine which was on-sale February 23, 2024. Better Homes

& Gardens has an average circulation of 3.1 million and a readership of 18 million. A QR code was placed in the print ad for easy, direct access to the Settlement website through mobile devices.

29. A copy of the print notice as it appeared in Better Homes & Gardens is attached as Exhibit E.

Additional Efforts

30. JND implemented additional efforts to further disseminate notice to potential Settlement Class Members, including an internet search campaign, national press releases, and sponsorships with popular class action websites.

31. From February 2, 2024, through March 13, 2024, JND caused 60,777 impressions to be delivered through an internet search effort. When purchased keywords related to the Settlements (e.g., content on the Settlement website landing page, legal names of the cases, as well as other case information) were searched, a paid Responsive Search Ad (“RSA”) with a hyperlink to the Settlement website would sometimes appear on the search engine results page. When the RSA was clicked on, the visitor was redirected to the Settlement website where they could get more information. The search effort was monitored and optimized.

32. Screenshots of the RSAs as they appeared online are attached as Exhibit F.

33. JND caused a press release to be distributed on February 6, 2024, to over 11,000 media outlets nationwide. As of April 17, 2024, the press release was picked up 415 times with a potential audience of 133.1 million.

34. JND caused another press release related to the Moehrl litigation to be distributed on February 27, 2024 to over 11,000 media outlets nationwide. As the press release directed the Settlement Class Member to the Moehrl website, which also advised Class Members about the

Settlements, the Moehrl press release further increased exposure of the Settlements. As of April 17, 2024, the press release was picked up 417 times with a potential audience of 157.1 million.

35. Exhibit G provides an Earned Media Report summarizing the coverage received from the press releases. Copies of the press releases as they were distributed are attached as Exhibit H.

36. JND implemented sponsorship efforts on the leading class action websites TopClassActions.com and ClassAction.org from February 7, 2024, through March 7, 2024. Activity included exposure on their featured settlement pages and in electronic newsletters, as well as on the sites' social media channels: Facebook, Instagram and X (formerly Twitter).

37. Screenshots of the different placements on the class action sites are attached as Exhibit I.

Reach⁴

38. The direct notice effort alone successfully reached more than 85% of potential Settlement Class Members. The media effort alone reached at least 71% of potential Settlement Class Members, bringing the combined direct notice and media reach beyond 95%. The internet search campaign; the distribution of the national press releases (potential audience of 133.1 million); the two class action sponsorships; and the extensive news coverage from the additional Settlements extended reach significantly more. The reach provided here is more robust than that of other court-approved programs and meets the highest reach standard set forth by the FJC.

⁴ Reach is the percentage of a specific population group exposed to a media vehicle or a combination of media vehicles containing a notice at least once over the course of a campaign. Reach factors out duplication, representing total different/net persons.

SETTLEMENT WEBSITE

39. An informational, interactive Settlement website was developed at my direction by JND staff so that potential Settlement Class Members can obtain more information about their rights and options under the Settlements and submit claims. The website contains, among other things, information about the Settlements, a Frequently Asked Questions section, a list of Important Dates and a list of Important Documents, the ability to download a Long Form Notice and Claim Form in both English and Spanish, the ability to submit claims electronically through a secure claims filing portal, and information about how potential Settlement Class Members can access the toll-free telephone number. The Settlement website is mobile-enabled and ADA compliant.

40. As of the date of this Declaration, the Settlement Website has tracked a total of 934,707 unique users who registered 4,935,713 page views.

DEDICATED TOLL-FREE NUMBER

41. JND established a dedicated toll-free telephone number with an automated IVR, available 24 hours a day, seven days a week, which provides Settlement-related information to potential Settlement Class Members, and the ability to request and receive the notices and the Claim Form by mail.

42. As of the date of this Declaration, JND has received 48,796 calls to the case toll-free number.

DEDICATED POST OFFICE BOXES

43. JND established two separate United States Post Office Boxes: one dedicated for potential Settlement Class Members to submit letters, inquiries, and Claim Forms; and one dedicated strictly to receive exclusion requests.

QR CODE

44. JND created a QR Code (a matrix barcode) which allows quick and direct access to the Settlement website through mobile devices. The QR Code is included, where practicable, in printed notice documents (i.e., the postcard and print publication notices).

CLAIMS RECEIVED

45. The Claim Form explained the claims process and was designed to ensure that filing a claim is as simple as possible. While the printable Claim Form was available to potential Settlement Class Members, the direct notice portion of the Notice Program was designed to drive claimants to the Settlement website where they can utilize an interactive process for claims submission. Online claim forms not only save substantial money in postage but are generally favored by claimants since the wizard feature of the process will walk them through the form step by step and will be very user-friendly. The online claim form process prevents claimants from submitting an electronic claim without clicking necessary verifications such as signature. Electronic claims also eliminate the step of manual data entry and generally make processing easier and less expensive.

46. The interactive Claim Form can be accessed through a secure portal and requests the same information from claimants that is set forth in the printable Claim Form. The interactive Claim Form was also designed to ensure that required information is provided before a claimant can move onto the next step of the Claim Form.

47. Broadly stated, to complete the Claim Form, the claimant needs to provide its name and contact information as well as identify, to the extent possible, information about the home sale, such as the address of the home sold, date of sale, amount of the total commission paid, and any documents to support the proof of payment.

48. All claimants may submit Claim Forms electronically through the Settlement website or physically by mail to the established Settlement P.O. Box.

49. As of the date of this Declaration, JND has received 194,733 Claim Forms, of which 188,819 were submitted online through the Settlement Website and 5,914 by mail. Of the 194,733 Claim Forms received, 2,173 were received from the state of South Carolina, 4,388 were received from New York, and 6,307 were from the state of Pennsylvania.

50. JND will continue to receive and process Claim Forms and report to Counsel on the status of the claims intake and review. The claim filing deadline is May 9, 2025.

OBJECTIONS AND OPT-OUTS

51. Members of the Settlement Classes could have objected to the Settlements by April 13, 2024. Settlement Class Members could also have excluded themselves (“opted-out”) of one or more of the Settlements by the same date. The Long Form Notice explained these legal rights (and others) to potential Settlement Class Members.

52. As of the date of this Declaration, JND has received or is otherwise aware of 12 objections.

53. As of the date of this Declaration, JND has received or is otherwise aware of 61 requests for exclusion, of which 59 were timely and valid. Attached as Exhibit J is a list of all exclusion requests. In JND’s opinion, this is a small number of opt outs relative to the potential Settlement Class size of more than 30 million.

BULK FILER SUBMISSIONS

54. JND has a complete process in place to allow for bulk filer submissions across all of its projects. We have a team that enables bulk filers to streamline the submission of their claims.

JND has coordinated with bulk filers in this matter and will continue to do so throughout the claims process.

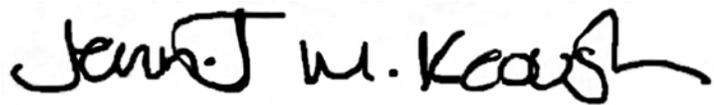

55. JND was not contacted by Pulte Group prior to the filing of their objection. If JND had received communication from Pulte Group, we would have advised them of our bulk filling option and assisted them with the streamlined submission process. JND is happy to assist Pulte Group, and any other bulk filers, with claims submission at any time.

CONCLUSION

56. In my opinion, the Notice Program as described herein provided the best notice practicable and is consistent with, if not more robust than, other similar court-approved best notice practicable notice programs, Rule 23 of the Federal Rules of Civil Procedure, and the FJC's guidelines for Best Practicable Due Process notice. The Notice Program was designed to reach as many Class Members as practicable and provide them with the opportunity to review a plain language notice with the ability to easily take the next step and learn more about the Settlements and file a claim if they so desire. Notice did not distinguish between NAR and Non-NAR MLSs and the claims administrator has been accepting claims from sellers in non-NAR MLSs.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

EXHIBIT A

JENNIFER KEOUGH

CHIEF EXECUTIVE OFFICER AND CO-FOUNDER

I

INTRODUCTION

Jennifer Keough is Chief Executive Officer and Co-Founder of JND Legal Administration (“JND”). She is the *only* judicially recognized expert in all facets of class action administration - from notice through distribution. With more than 20 years of legal experience, Ms. Keough has directly worked on hundreds of high-profile and complex administration engagements, including such landmark matters as the \$20 billion Gulf Coast Claims Facility, \$10 billion BP Deepwater Horizon Settlement, \$3.4 billion Cobell Indian Trust Settlement (the largest U.S. government class action settlement ever), \$3.05 billion VisaCheck/MasterMoney Antitrust Settlement, \$2.67 billion Blue Cross Blue Shield antitrust settlement, \$1.5 billion Mercedes-Benz Emissions Settlements, \$1.3 billion Equifax Data Breach Settlement, \$1 billion Stryker Modular Hip Settlement, \$600 million Engle Smokers Trust Fund, \$240 million Signet Securities Settlement, \$215 million USC Student Health Center Settlement, and countless other high-profile matters.

Ms. Keough has been appointed notice expert in many notable cases and has testified on settlement matters in numerous courts and before the Senate Committee for Indian Affairs. She was appointed in 2022 as a Board member of the RAND Corporation’s “Kenneth R. Feinberg Center for Catastrophic Risk Management and

Compensation (the Feinberg Center).” Among the Feinberg Center’s missions is to identify and promote laws, programs, and institutions that reduce the adverse social and economic effects of natural and manmade catastrophes by:

- Improving incentives to reduce future losses
- Providing just compensation to those suffering losses while appropriately allocating liability to responsible parties
- Helping affected individuals, businesses, and communities to recover quickly
- Avoiding unnecessary legal, administrative, and other transaction costs

Ms. Keough is honored to be included on the Board, which consists of only 18 people, three of whom are federal district court judges. She is the only person from the legal administration industry on the Board.

Ms. Keough is also the only female CEO/Co-Founder in the field. She oversees more than 200 employees at JND’s Seattle headquarters, as well as other office locations around the country. She manages all aspects of JND’s class action business from day-to-day processes to high-level strategies. Her comprehensive expertise with noticing, claims processing, Systems and IT work, call center, data analytics, recovery calculations, check distribution, and reporting gained her the reputation with attorneys on both sides of the aisle as the most dependable consultant for all legal administration needs. Ms. Keough also applies her knowledge and skills to other divisions of JND, including mass tort, lien resolution, government services, and eDiscovery. Given her extensive experience, Ms. Keough is often called upon to consult with parties prior to settlement, is frequently invited to speak on class action issues and has authored numerous articles in her multiple areas of expertise.

Ms. Keough launched JND with her partners in early 2016. Just a few months later she was named as the Independent Claims Administrator (“ICA”) in a complex BP Solar Panel Settlement. Ms. Keough also started receiving numerous appointments as notice expert and in 2017 was chosen to oversee a restitution program in Canada where every adult in the country was eligible to participate. Also, in 2017,

Ms. Keough was named a female entrepreneur of the year finalist in the 14th annual Stevie Awards for Women in Business. In 2015 and 2017, she was recognized as a “Woman Worth Watching” by Profiles in Diversity Journal.

Since JND’s launch, Ms. Keough has also been featured in numerous news sources. In 2019, she was highlighted in an Authority Magazine article, “5 Things I wish someone told me before I became a CEO,” and a Moneyish article, “This is exactly how rampant ‘imposter syndrome’ is in the workforce.” In 2018, she was featured in several Fierce CEO articles, “JND Legal Administration CEO Jennifer Keough aids law firms in complicated settlements,” “Special Report—Women CEOs offer advice on defying preconceptions and blazing a trail to the top,” and “Companies stand out with organizational excellence,” as well as a Puget Sound Business Journal article, “JND Legal CEO Jennifer Keough handles law firms’ big business.” In 2013, Ms. Keough appeared in a CNN article, “What Changes with Women in the Boardroom.”

Prior to forming JND, Ms. Keough was Chief Operating Officer and Executive Vice President for one of the then largest legal administration firms in the country, where she oversaw operations in several offices across the country and was responsible for all large and critical projects. Previously, Ms. Keough worked as a class action business analyst at Perkins Coie, one of the country’s premier defense firms, where she managed complex class action settlements and remediation programs, including the selection, retention, and supervision of legal administration firms. While at Perkins she managed, among other matters, the administration of over \$100 million in the claims-made Weyerhaeuser siding case, one of the largest building product class action settlements ever. In her role, she established a reputation as being fair in her ability to see both sides of a settlement program.

Ms. Keough earned her J.D. from Seattle University. She graduated from Seattle University with a B.A. and M.S.F. with honors.

II

LANDMARK CASES

Jennifer Keough has the distinction of personally overseeing the administration of more large class action programs than any other notice expert in the field. Some of her largest engagements include the following:

1. *Allagas v. BP Solar Int'l, Inc.*

No. 14-cv-00560 (N.D. Cal.)

Ms. Keough was appointed by the United States District Court for the Northern District of California as the Independent Claims Administrator (“ICA”) supervising the notice and administration of this complex settlement involving inspection, remediation, and replacement of solar panels on homes and businesses throughout California and other parts of the United States. Ms. Keough and her team devised the administration protocol and built a network of inspectors and contractors to perform the various inspections and other work needed to assist claimants. She also built a program that included a team of operators to answer claimant questions, a fully interactive dedicated website with online claim filing capability, and a team trained in the very complex intricacies of solar panel mechanisms. In her role as ICA, Ms. Keough regularly reported to the parties and the Court regarding the progress of the case’s administration. In addition to her role as ICA, Ms. Keough also acted as mediator for those claimants who opted out of the settlement to pursue their claims individually against BP. Honorable Susan Illston, recognized the complexity of the settlement when appointing Ms. Keough the ICA (December 22, 2016):

The complexity, expense and likely duration of the litigation favors the Settlement, which provides meaningful and substantial benefits on a much shorter time frame than otherwise possible and avoids risk to class certification and the Class’s case on the merits...The Court appoints Jennifer Keough of JND Legal Administration to serve as the Independent Claims Administrator (“ICA”) as provided under the Settlement.

2. *Chester v. The TJX Cos.*

No. 15-cv-01437 (C.D. Cal.)

As the notice expert, Ms. Keough proposed a multi-faceted notice plan designed to reach over eight million class members. Where class member information was available, direct notice was sent via email and via postcard when an email was returned as undeliverable or for which there was no email address provided. Additionally, to reach the unknown class members, Ms. Keough's plan included a summary notice in eight publications directed toward the California class and a tear-away notice posted in all TJ Maxx locations in California. The notice effort also included an informational and interactive website with online claim filing and a toll-free number that provided information 24 hours a day. Additionally, associates were available to answer class member questions in both English and Spanish during business hours. Honorable Otis D. Wright, II approved the plan (May 14, 2018):

...the Court finds and determines that the Notice to Class Members was complete and constitutionally sound, because individual notices were mailed and/or emailed to all Class Members whose identities and addresses are reasonably known to the Parties, and Notice was published in accordance with this Court's Preliminary Approval Order, and such notice was the best notice practicable.

3. *Cobell v. Salazar*

No. 96 CV 1285 (TFH) (D. D.C.)

As part of the largest government class action settlement in our nation's history, Ms. Keough worked with the U.S. Government to implement the administration program responsible for identifying and providing notice to the two distinct but overlapping settlement classes. As part of the notice outreach program, Ms. Keough participated in multiple town hall meetings held at Indian reservations located across the country. Due to the efforts of the outreach program, over 80% of all class members were provided notice. Additionally, Ms. Keough played a role in creating the processes for evaluating claims and ensuring the correct distributions were made. Under Ms. Keough's supervision,

the processing team processed over 480,000 claims forms to determine eligibility. Less than one half of one percent of all claim determinations made by the processing team were appealed. Ms. Keough was called upon to testify before the Senate Committee for Indian Affairs, where Senator Jon Tester of Montana praised her work in connection with notice efforts to the American Indian community when he stated: "Oh, wow. Okay... the administrator has done a good job, as your testimony has indicated, [discovering] 80 percent of the whereabouts of the unknown class members." Additionally, when evaluating the Notice Program, Judge Thomas F. Hogan concluded (July 27, 2011):

...that adequate notice of the Settlement has been provided to members of the Historical Accounting Class and to members of the Trust Administration Class.... Notice met and, in many cases, exceeded the requirements of F.R.C.P. 23(c)(2) for classes certified under F.R.C.P. 23(b)(1), (b)(2) and (b)(3). The best notice practicable has been provided class members, including individual notice where members could be identified through reasonable effort. The contents of that notice are stated in plain, easily understood language and satisfy all requirements of F.R.C.P. 23(c)(2)(B).

4. *FTC v. Reckitt Benckiser Grp. PLC*

No. 19CV00028 (W.D. Va.)

Ms. Keough and her team designed a multi-faceted notice program for this \$50 million settlement resolving charges by the FTC that Reckitt Benckiser Group PLC violated antitrust laws by thwarting lower-priced generic competition to its branded drug Suboxone.

The plan reached 80% of potential claimants nationwide, and a more narrowed effort extended reach to specific areas and targets. The nationwide effort utilized a mix of digital, print, and radio broadcast through Sirius XM. Extended efforts included local radio in areas defined as key opioid markets and an outreach effort to medical professionals approved to prescribe Suboxone in the U.S., as well as to substance abuse centers; drug abuse and addiction info and treatment centers; and addiction treatment centers nationwide.

5. *Gulf Coast Claims Facility (GCCF)*

The GCCF was one of the largest claims processing facilities in U.S. history and was responsible for resolving the claims of both individuals and businesses relating to the Deepwater Horizon oil spill. The GCCF, which Ms. Keough helped develop, processed over one million claims and distributed more than \$6 billion within the first year-and-a-half of its existence. As part of the GCCF, Ms. Keough and her team coordinated a large notice outreach program which included publication in multiple journals and magazines in the Gulf Coast area. She also established a call center staffed by individuals fluent in Spanish, Vietnamese, Laotian, Khmer, French, and Croatian.

6. *Health Republic Ins. Co. v. United States*

No. 16-259C (F.C.C.)

For this \$1.9 billion settlement, Ms. Keough and her team used a tailored and effective approach of notifying class members via Federal Express mail and email. Opt-in notice packets were sent via Federal Express to each potential class member, as well as the respective CEO, CFO, General Counsel, and person responsible for risk corridors receivables, when known. A Federal Express return label was also provided for opt-in returns. Notice Packets were also sent via electronic-mail. The informational and interactive case-specific website posted the notices and other important Court documents and allowed potential class members to file their opt-in form electronically.

7. *In re Air Cargo Shipping Servs. Antitrust Litig.*

No. 06-md-1775 (JG) (VVP) (E.D.N.Y.)

This antitrust settlement involved five separate settlements. As a result, many class members were affected by more than one of the settlements, Ms. Keough constructed the notice and claims programs for each settlement in a manner which allowed affected class members the ability to compare the claims data. Each claims administration program included claims processing, review of supporting evidence, and a deficiency notification process. The deficiency

notification process included mailing of deficiency letters, making follow-up phone calls, and sending emails to class members to help them complete their claim. To ensure accuracy throughout the claims process for each of the settlements, Ms. Keough created a process which audited many of the claims that were eligible for payment.

8. *In re Blue Cross Blue Shield Antitrust Litig.*

Master File No.: 13-CV-20000-RDP (N.D. Ala.)

JND was appointed as the notice and claims administrator in the \$2.67 billion Blue Cross Blue Shield proposed settlement. To notify class members, we mailed over 100 million postcard notices, sent hundreds of millions of email notices and reminders, and placed notice via print, television, radio, internet, and more. The call center was staffed with 250 agents during the peak of the notice program. More than eight million claims were received. In approving the notice plan designed by Jennifer Keough and her team, United States District Court Judge R. David Proctor, wrote:

After a competitive bidding process, Settlement Class Counsel retained JND Legal Administration LLC ("JND") to serve as Notice and Claims Administrator for the settlement. JND has a proven track record and extensive experience in large, complex matters... JND has prepared a customized Notice Plan in this case. The Notice Plan was designed to provide the best notice practicable, consistent with the latest methods and tools employed in the industry and approved by other courts...The court finds that the proposed Notice Plan is appropriate in both form and content and is due to be approved.

9. *In re Classmates.com*

No. C09-45RAJ (W.D. Wash.)

Ms. Keough managed a team that provided email notice to over 50 million users with an estimated success rate of 89%. When an email was returned as undeliverable, it was re-sent up to three times in an attempt to provide notice to the entire class. Additionally, Ms. Keough implemented a claims administration

program which received over 699,000 claim forms and maintained three email addresses in which to receive objections, exclusions, and claim form requests. The Court approved the program when it stated:

The Court finds that the form of electronic notice... together with the published notice in the Wall Street Journal, was the best practicable notice under the circumstances and was as likely as any other form of notice to apprise potential Settlement Class members of the Settlement Agreement and their rights to opt out and to object. The Court further finds that such notice was reasonable, that it constitutes adequate and sufficient notice to all persons entitled to receive notice, and that it meets the requirements of Due Process...

10. *In re Equifax Inc. Customer Data Sec. Breach Litig.*

No. 17-md-2800-TWT (N.D. Ga.)

JND was appointed settlement administrator, under Ms. Keough's direction, for this complex data breach settlement valued at \$1.3 billion with a class of 147 million individuals nationwide. Ms. Keough and her team oversaw all aspects of claims administration, including the development of the case website which provided notice in seven languages and allowed for online claim submissions. In the first week alone, over 10 million claims were filed. Overall, the website received more than 200 million hits and the Contact Center handled well over 100,000 operator calls. Ms. Keough and her team also worked closely with the Notice Provider to ensure that each element of the media campaign was executed in the time and manner as set forth in the Notice Plan.

Approving the settlement on January 13, 2020, Judge Thomas W. Thrash, Jr. acknowledged JND's outstanding efforts:

JND transmitted the initial email notice to 104,815,404 million class members beginning on August 7, 2019. (App. 4, ¶¶ 53-54). JND later sent a supplemental email notice to the 91,167,239 class members who had not yet opted out, filed a claim, or unsubscribed from the initial email notice. (Id., ¶¶ 55-56). The notice plan also provides for JND to perform two additional supplemental email notice campaigns. (Id., ¶ 57)...JND has also developed

specialized tools to assist in processing claims, calculating payments, and assisting class members in curing any deficient claims. (Id., ¶¶ 4, 21). As a result, class members have the opportunity to file a claim easily and have that claim adjudicated fairly and efficiently...The claims administrator, JND, is highly experienced in administering large class action settlements and judgments, and it has detailed the efforts it has made in administering the settlement, facilitating claims, and ensuring those claims are properly and efficiently handled. (App. 4, ¶¶ 4, 21; see also Doc. 739-6, ¶¶ 2-10). Among other things, JND has developed protocols and a database to assist in processing claims, calculating payments, and assisting class members in curing any deficient claims. (Id., ¶¶ 4, 21). Additionally, JND has the capacity to handle class member inquiries and claims of this magnitude. (App. 4, ¶¶ 5, 42). This factor, therefore, supports approving the relief provided by this settlement.

11. *In re General Motors LLC Ignition Switch Litig.*

No. 2543 (MDL) (S.D.N.Y.)

GM Ignition Switch Compensation Claims Resolution Facility

Ms. Keough oversaw the creation of a Claims Facility for the submission of injury claims allegedly resulting from the faulty ignition switch. The Claims Facility worked with experts when evaluating the claim forms submitted. First, the Claims Facility reviewed thousands of pages of police reports, medical documentation, and pictures to determine whether a claim met the threshold standards of an eligible claim for further review by the expert. Second, the Claims Facility would inform the expert that a claim was ready for its review. Ms. Keough constructed a database which allowed for a seamless transfer of claim forms and supporting documentation to the expert for further review.

12. *In re General Motors LLC Ignition Switch Litig.*

No. 2543 (MDL) (S.D.N.Y.)

Ms. Keough was appointed the class action settlement administrator for the \$120 million GM Ignition Switch settlement. On April 27, 2020, Honorable

Jesse M. Furman approved the notice program designed by Ms. Keough and her team and the notice documents they drafted with the parties:

The Court further finds that the Class Notice informs Class Members of the Settlement in a reasonable manner under Federal Rule of Civil Procedure 23(e)(1)(B) because it fairly apprises the prospective Class Members of the terms of the proposed Settlement and of the options that are open to them in connection with the proceedings.

The Court therefore approves the proposed Class Notice plan, and hereby directs that such notice be disseminated to Class Members in the manner set forth in the Settlement Agreement and described in the Declaration of the Class Action Settlement Administrator...

Under Ms. Keough's direction, JND mailed notice to nearly 30 million potential class members.

On December 18, 2020, Honorable Jesse M. Furman granted final approval:

The Court confirms the appointment of Jennifer Keough of JND Legal Administration ("JND") as Class Action Settlement Administrator and directs Ms. Keough to carry out all duties and responsibilities of the Class Action Settlement Administrator as specified in the Settlement Agreement and herein...The Court finds that the Class Notice and Class Notice Plan satisfied and continue to satisfy the applicable requirements of Federal Rules of Civil Procedure 23(c)(2)(b) and 23(e), and fully comply with all laws, including the Class Action Fairness Act (28 U.S.C. § 1711 et seq.), and the Due Process Clause of the United States Constitution (U.S. Const., amend. V), constituting the best notice that is practicable under the circumstances of this litigation.

13. *In re Mercedes-Benz Emissions Litig.*

No. 16-cv-881 (D.N.J.)

JND Legal Administration was appointed as the Settlement Administrator in this \$1.5 billion settlement wherein Daimler AG and its subsidiary Mercedes-Benz USA reached an agreement to settle a consumer class action alleging that the

automotive companies unlawfully misled consumers into purchasing certain diesel type vehicles by misrepresenting the environmental impact of these vehicles during on-road driving. As part of its appointment, the Court approved Jennifer Keough's proposed notice plan and authorized JND Legal Administration to provide notice and claims administration services.

The Court finds that the content, format, and method of disseminating notice, as set forth in the Motion, Declaration of JND Legal Administration, the Class Action Agreement, and the proposed Long Form Notice, Short Form Notice, and Supplemental Notice of Class Benefits (collectively, the "Class Notice Documents") - including direct First Class mailed notice to all known members of the Class deposited in the mail within the later of (a) 15 business days of the Preliminary Approval Order; or (b) 15 business days after a federal district court enters the US-CA Consent Decree - is the best notice practicable under the circumstances and satisfies all requirements provided in Rule 23(c)(2)(B). The Court approves such notice, and hereby directs that such notice be disseminated in the manner set forth in the Class Action Settlement to the Class under Rule 23(e)(1)...JND Legal Administration is hereby appointed as the Settlement Administrator and shall perform all duties of the Settlement Administrator set forth in the Class Action Settlement.

On July 12, 2021, the Court granted final approval of the settlement:

The Court has again reviewed the Class Notice Program and finds that Class Members received the best notice practicable under the circumstances.

14. *In re MyFord Touch Consumer Litig.*

No. 13-cv-3072 (EMC) (N.D. Cal.)

Ms. Keough was retained as the Notice Expert in this \$17 million automotive settlement. Under her direction, the JND team created a multi-faceted website with a VIN # lookup function that provided thorough data on individual car repair history. To assure all of the data was safeguarded, JND hired a third-party to attempt to hack it, demonstrating our commitment to ensuring the security of all client and claimant data. Their attempts were unsuccessful.

In his December 17, 2019 final approval order Judge Edward M. Chen remarked on the positive reaction that the settlement received:

The Court finds that the Class Notice was the best practicable notice under the circumstances, and has been given to all Settlement Class Members known and reasonably identifiable in full satisfaction of the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process... The Court notes that the reaction of the class was positive: only one person objected to the settlement although, by request of the objector and in the absence of any opposition from the parties, that objection was converted to an opt-out at the hearing.

15. *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010*

No. 2179 (MDL) (E.D. La.)

Following the closure of the Gulf Coast Claims Facility, the Deepwater Horizon Settlement claims program was created. There were two separate legal settlements that provided for two claims administration programs. One of the programs was for the submission of medical claims and the other was for the submission of economic and property damage claims. Ms. Keough played a key role in the formation of the claims program for the evaluation of economic and property damage claims. Additionally, Ms. Keough built and supervised the back-office mail and processing center in Hammond, Louisiana, which was the hub of the program. The Hammond center was visited several times by Claims Administrator Pat Juneau -- as well as by the District Court Judge and Magistrate -- who described it as a shining star of the program.

16. *In re Stryker Rejuvenate and ABG II Hip Implant Prods. Liab. Litig.*

No. 13-2441 (MDL) (D. Minn.)

Ms. Keough and her team were designated as the escrow agent and claims processor in this \$1 billion settlement designed to compensate eligible U.S. Patients who had surgery to replace their Rejuvenate Modular-Neck and/or ABG II Modular-Neck hip stems prior to November 3, 2014. As the claims processor, Ms. Keough

and her team designed internal procedures to ensure the accurate review of all medical documentation received; designed an interactive website which included online claim filing; and established a toll-free number to allow class members to receive information about the settlement 24 hours a day. Additionally, she oversaw the creation of a deficiency process to ensure claimants were notified of their deficient submission and provided an opportunity to cure. The program also included an auditing procedure designed to detect fraudulent claims and a process for distributing initial and supplemental payments. Approximately 95% of the registered eligible patients enrolled in the settlement program.

17. *In re The Engle Trust Fund*

No. 94-08273 CA 22 (Fla. 11th Jud. Cir. Ct.)

Ms. Keough played a key role in administering this \$600 million landmark case against the country's five largest tobacco companies. Miles A. McGrane, III, Trustee to the Engle Trust Fund recognized Ms. Keough's role when he stated:

The outstanding organizational and administrative skills of Jennifer Keough cannot be overstated. Jennifer was most valuable to me in handling numerous substantive issues in connection with the landmark Engle Trust Fund matter. And, in her communications with affected class members, Jennifer proved to be a caring expert at what she does.

18. *In re Washington Mut. Inc., Sec. Litig.*

No. 08-md-1919 MJP (W.D. Wash.)

Ms. Keough supervised the notice and claims administration for this securities class action, which included three separate settlements with defendants totaling \$208.5 million. In addition to mailing notice to over one million class members, Ms. Keough managed the claims administration program, including the review and processing of claims, notification of claim deficiencies, and distribution. In preparation for the processing of claims, Ms. Keough and her team established a unique database to store the proofs of claim and supporting documentation; trained staff to the particulars of this settlement; created multiple computer

programs for the entry of class member's unique information; and developed a program to calculate the recognized loss amounts pursuant to the plan of allocation. The program was designed to allow proofs of claim to be filed by mail or through an online portal. A deficiency process was established in order to reach out to class members who submitted incomplete proof of claims. The deficiency process involved reaching out to claimants via letters, emails, and telephone calls.

19. *King v. Bumble Trading Inc*

No. 18-cv-06868-NC (N.D. Cal.)

Ms. Keough served as the notice expert in this \$22.5 million settlement that alleged that Bumble's Terms & Conditions failed to notify subscribers nationwide of their legal right to cancel their Boost subscription and obtain a refund within three business days of purchase, and for certain users in California, that Bumble's auto-renewal practices violated California law.

JND received two files of class member data containing over 7.1 million records. Our team analyzed the data to identify duplicates and then we further analyzed the unique records, using programmatic techniques and manual review, to identify accounts that had identical information in an effort to prevent multiple notices being sent to the same class member. Through this process, JND was able to reduce the number of records to less than 6.3 million contacts.

Approving the settlement on December 18, 2020, Judge Nathanael M. Cousins, acknowledged the high success of our notice efforts:

Pursuant to the Court's Preliminary Approval Order, the Court appointed JND Settlement Administrators as the Settlement Administrator... JND sent court-approved Email Notices to millions of class members...Overall, approximately 81% of the Settlement Class Members were successfully sent either an Email or Mailed Notice...JND supplemented these Notices with a Press Release which Global Newswire published on July 18, 2020... In sum, the Court finds that, viewed as a whole, the settlement is sufficiently "fair, adequate, and reasonable" to warrant approval.

20. *Linneman v. Vita-Mix Corp.*

No. 15-cv-748 (S.D. Ohio)

Ms. Keough was hired by Plaintiff Counsel to design a notice program regarding this consumer settlement related to allegedly defective blenders. The Court approved Ms. Keough's plan and designated her as the notice expert for this case. As direct notice to the entire class was impracticable due to the nature of the case, Ms. Keough proposed a multi-faceted notice program. Direct notice was provided by mail or email to those purchasers identified through data obtained from Vita-Mix and third parties, such as retailers, dealers, distributors, or restaurant supply stores. To reach the unknown class members, Ms. Keough oversaw the design of an extensive media plan that included: published notice in *Cooking Light*, *Good Housekeeping*, and *People* magazine and digital notice; placements through Facebook/Instagram, Twitter, and Conversant; and paid search campaign through Google and Bing. In addition, the program included an informational and interactive website where class members could submit claims electronically, and a toll-free number that provided information to class members 24 hours a day. When approving the plan, Honorable Susan J. Dlott stated (May 3, 2018):

JND Legal Administration, previously appointed to supervise and administer the notice process, as well as oversee the administration of the Settlement, appropriately issued notice to the Class as more fully set forth in the Agreement, which included the creation and operation of the Settlement Website and more than 3.8 million mailed or emailed notices to Class Members. As of March 27, 2018, approximately 300,000 claims have been filed by Class Members, further demonstrating the success of the Court-approved notice program.

21. *Loblaws Card Program*

Jennifer Keough was selected by major Canadian retailer Loblaws and its counsel to act as program administrator in its voluntary remediation program. The program was created as a response to a price-fixing scheme perpetrated by some employees of the company involving bread products. The program

offered a \$25 gift card to all adults in Canada who purchased bread products in Loblaw stores between 2002 and 2015. Some 28 million Canadian residents were potential claimants. Ms. Keough and her team: (1) built an interactive website that was capable of withstanding hundreds of millions of “hits” in a short period of time; (2) built, staffed and trained a call center with operators available to take calls twelve hours a day, six days a week; (3) oversaw the vendor in charge of producing and distributing the cards; (4) was in charge of designing and overseeing fraud prevention procedures; and (5) handled myriad other tasks related to this high-profile and complex project.

22. *McWilliams v. City of Long Beach*

No. BC261469 (Cal. Super. Ct.)

Ms. Keough and her team designed and implemented an extensive notice program for the City of Long Beach telephone tax refund settlement. In addition to sending direct notice to all addresses within the City of Long Beach utility billing system and from its GIS provider, and to all registered businesses during the class period, JND implemented a robust media campaign that alone reached 88% of the Class. The media effort included leading English and Spanish magazines and newspapers, a digital effort, local cable television and radio, an internet search campaign, and a press release distributed in both English and Spanish. The 12% claims rate exceeded expectations.

Judge Maren E. Nelson acknowledged the program’s effectiveness in her final approval order on October 30, 2018:

It is estimated that JND’s Media Notice plan reached 88% of the Class and the overall reach of the Notice Program was estimated to be over 90% of the Class. (Keough Decl., at ¶12.). Based upon the notice campaign outlined in the Keough Declaration, it appears that the notice procedure was aimed at reaching as many class members as possible. The Court finds that the notice procedure satisfies due process requirements.

23. *New Orleans Tax Assessor Project*

After Hurricane Katrina, the City of New Orleans began to reappraise properties in the area which caused property values to rise. Thousands of property owners appealed their new property values and the City Council did not have the capacity to handle all the appeals in a timely manner. As a result of the large number of appeals, the City of New Orleans hired Ms. Keough to design a unique database to store each appellant's historical property documentation. Additionally, Ms. Keough designed a facility responsible for scheduling and coordinating meetings between the 5,000 property owners who appealed their property values and real estate agents or appraisers. The database that Ms. Keough designed facilitated the meetings between the property owners and the property appraisers by allowing the property appraisers to review the property owner's documentation before and during the appointment with them.

24. *USC Student Health Ctr. Settlement*

No. 18-cv-04258-SVW (C.D. Cal.)

JND was approved as the Settlement Administrator in this important \$215 million settlement that provides compensation to women who were sexually assaulted, harassed and otherwise abused by Dr. George M. Tyndall at the USC Student Health Center during a nearly 30-year period. Ms. Keough and her team designed a notice effort that included: mailed and email notice to potential Class members; digital notices on Facebook, LinkedIn, and Twitter; an internet search effort; notice placements in USC publications/eNewsletters; and a press release. In addition, her team worked with USC staff to ensure notice postings around campus, on USC's website and social media accounts, and in USC alumni communications, among other things. Ms. Keough ensured the establishment of an all-female call center, whose operators were fully trained to handle delicate interactions, with the goal of providing excellent service and assistance to every woman affected. She also worked with the JND staff handling lien resolution for this case. Preliminarily approving the settlement, Honorable Stephen V. Wilson stated (June 12, 2019):

The Court hereby designates JND Legal Administration (“JND”) as Claims Administrator. The Court finds that giving Class Members notice of the Settlement is justified under Rule 23(e)(1) because, as described above, the Court will likely be able to: approve the Settlement under Rule 23(e)(2); and certify the Settlement Class for purposes of judgment. The Court finds that the proposed Notice satisfies the requirements of due process and Federal Rule of Civil Procedure 23 and provides the best notice practicable under the circumstances.

25. *Williams v. Weyerhaeuser Co.*

Civil Action No. 995787 (Cal. Super. Ct.)

This landmark consumer fraud litigation against Weyerhaeuser Co. had over \$100 million in claims paid. The action involved exterior hardboard siding installed on homes and other structures throughout the United States from January 1, 1981 to December 31, 1999 that was alleged to be defective and prematurely fail when exposed to normal weather conditions.

Ms. Keough oversaw the administration efforts of this program, both when she was employed by Perkins Coie, who represented defendants, and later when she joined the administration firm handling the case. The claims program was extensive and went on for nine years, with varying claims deadlines depending on when the class member installed the original Weyerhaeuser siding. The program involved not just payments to class members, but an inspection component where a court-appointed inspector analyzed the particular claimant’s siding to determine the eligibility and award level. Class members received a check for their damages, based upon the total square footage of damaged siding, multiplied by the cost of replacing, or, in some instances, repairing, the siding on their homes. Ms. Keough oversaw the entirety of the program from start to finish.

In re Volkswagen “Clean Diesel” Mktg., Sales Practice and Prods. Liab. Litig., (November 9, 2022)
MDL 2672 CRB (N.D. Cal.):

The Settlement Administrator has also taken the additional step to allow potential class members to submit claims without any documentation on the settlement website, allowing the settlement administrator to seek out the documentation independently (which can often be found without further aid from the class member). Id. at 5; Third Keough Decl. (dkt. 8076) ¶ 3. On October 6, 2022, the Settlement Administrator also sent reminder notices to the class members who have not yet submitted a claim, stating that they may file a claim without documentation, and their claim will be verified based on the information they provide. Third Keough Decl. ¶ 4. In any case, Lochridge’s concerns about the unavailability of documentation have not been borne out by the majority of claimants: According to the Settlement Administrator, of the 122,467 claims submitted, 100,657 have included some form of documentation. Id. ¶ 6. Lochridge’s objection on this point is thus overruled... Additionally, the claims process has been unusually successful—as of October 20, 122,467 claim forms have been submitted, covering 22% of the estimated eligible Class vehicles. Third Keough Decl. ¶ 6. This percentage rises to 24% when the Sport+ Class vehicles that have already received a software update (thus guaranteeing their owners a \$250 payment without submission of a claim form) are included. Id. This reaction strongly favors approval of the settlement.

No. 15-cv-01358 VAP (SPx) (C.D. Cal.):

Following preliminary approval of the settlement by the Court, the settlement administrator provided notice to the Settlement Class through a digital media campaign. (Dkt. 203-5). The Notice explains in plain language what the case is about, what the recipient is entitled to, and the options available to the recipient in connection with this case, as well as the consequences of each option. (Id., Ex. E). During the allotted response period, the settlement administrator received no requests for exclusion and just one objection, which was later withdrawn. (Dkt. 203-1, at 11).

56. Judge Ann D. Montgomery

In re Wholesale Grocery Prod. Antitrust Litig., (November 16, 2017)

No. 9-md-2090 (ADM) (TNL) (D. Minn.):

57. Honorable David O. Carter

Hernandez v. Experian Info. Sols., Inc., (April 6, 2018)

No. 05-cv-1070 (C.D. Cal.):

The Court finds, however, that the notice had significant value for the Class, resulting in over 200,000 newly approved claims—a 28% increase in the number of Class members who will receive claimed benefits—not including the almost 100,000

Class members who have visited the CCRA section of the Settlement Website thus far and the further 100,000 estimated visits expected through the end of 2019. (Dkt. 1114-1 at 3, 6). Furthermore, the notice and claims process is being conducted efficiently at a total cost of approximately \$6 million, or \$2.5 million less than the projected 2009 Proposed Settlement notice and claims process, despite intervening increases in postage rates and general inflation. In addition, the Court finds that the notice conducted in connection with the 2009 Proposed Settlement has significant ongoing value to this Class, first in notifying in 2009 over 15 million Class members of their rights under the Fair Credit Reporting Act (the ignorance of which for most Class members was one area on which Class Counsel and White Objectors' counsel were in agreement), and because of the hundreds of thousands of claims submitted in response to that notice, and processed and validated by the claims administrator, which will be honored in this Settlement.

YOUR LEGAL RIGHTS AND OPTIONS IN THESE SETTLEMENTS:	
SUBMIT A CLAIM FORM BY MAY 9, 2025	The only way to get a payment.
ASK TO BE EXCLUDED BY APRIL 13, 2024	If you do not want to be included in the case and the Settlements, you must exclude yourself. This is called “opting out.” This is the only option that allows you to sue either Anywhere or RE/MAX for these same issues again.
OBJECT BY APRIL 13, 2024	You may write to the Court about why you don’t like the proposed Settlements. You cannot object if you opt-out.
GO TO A HEARING ON MAY 9, 2024	You may ask to speak in Court about the fairness of the proposed Settlements.
DO NOTHING	If you do nothing and the Court approves the proposed Settlements, you will get no payment. You will not be able to sue Anywhere or RE/MAX for these same issues again.

- These rights and options – **and the deadlines to exercise them** – are explained in this notice.
- The Court in charge of this case still has to decide whether to approve the proposed Settlements. Payments will be made if the Court approves the Settlements and after appeals are resolved. Please be patient.

BASIC INFORMATION

1. Why did I get this notice?

This Notice has been posted for the benefit of potential members of the Settlement Class. If you are uncertain about whether you are a member of the Settlement Class, you may contact the Settlement Administrator at 888-995-0207.

This Notice has been posted because members of the Settlement Class have a right to know about proposed settlements of a class action lawsuit in which they are class members, and about all of their options, before the Court decides whether to approve the Settlements. If the Court approves the Settlements, and after objections or appeals relating to the Settlements are resolved, the benefits provided by the Settlements will be available to members of the Class.

This Notice explains the lawsuits, the Settlements, your legal rights, what benefits are available, who is eligible for them, and how to get them. A full copy of the Settlement Agreements may be viewed at the settlement website: www.RealEstateCommissionLitigation.com. This Notice contains only a summary of the Settlements.

Questions? Call 888-995-0207 or visit www.RealEstateCommissionLitigation.com to learn more.

The Court in charge of the Settlements is the United States District Court for the Western District of Missouri. The case before this Court is known as *Burnett et al. v. National Association of Realtors, et al.*, Case No. 19-CV-00332-SRB. The people who filed this lawsuit are called the Plaintiffs. The people being sued are called the Defendants. Defendants include The National Association of Realtors (“NAR”) and the following large real estate brokerage firms: Anywhere, RE/MAX, Keller Williams, and Berkshire Hathaway HomeServices. Of these Defendants, the Settlements concern only Anywhere and RE/MAX.

The Settlements also resolve claims against Anywhere and RE/MAX raised in at least two other lawsuits: *Moehrl et al. v. National Association of Realtors et al.*, Case No. 1:19-cv-01610-ARW (Northern District of Illinois); and *Nosalek v. MLS Property Information Network, Inc., et al.*, Case No. 1:20-cv-12244-PBS (District of Massachusetts).

2. What is this lawsuit about?

The lawsuits claim that Defendants created and implemented rules that require home sellers to pay commissions to the broker or agent representing the buyer and that caused home sellers to pay total commissions at inflated rates. They also allege that Defendants enforced these rules through anticompetitive and unlawful practices.

The lawsuits claim that these rules are anticompetitive and unfair, and that they violate antitrust laws. You can read Plaintiffs’ complaints at www.RealEstateCommissionLitigation.com.

Specifically, the lawsuits allege violations of the Sherman Act (a federal antitrust statute found at 15 U.S.C. § 1 *et seq.*).

The Sherman Act claims apply to home sales that occurred anywhere in the United States during the Eligible Date Range.

3. Has the Court decided who is right?

Although the Court has authorized notice to be given of the proposed Settlements, this Notice does not express the opinion of the Court on the merits of the claims or defenses asserted by either side of the lawsuit.

Anywhere and RE/MAX dispute Plaintiffs’ allegations and deny all liability to Plaintiffs and the Class. You can read the Answers filed by Anywhere and RE/MAX here: www.RealEstateCommissionLitigation.com

4. Why is this case a class action?

In a class action, one or more people called Class Representatives sue on behalf of other people who have similar claims. The people together are a “Class” or “Class Members.” The consumers who sued Defendants — and all the Class Members like them — are called Plaintiffs. The companies they sued are called the Defendants. One court resolves the issues for everyone in the Class — except for those who choose to exclude themselves from the Class.

Here, the Court decided that this lawsuit can be a class action for settlement purposes because it preliminarily meets the requirements of Federal Rule of Civil Procedure 23, which governs class actions in federal courts. Specifically, the Court found that: (1) there are numerous people who fit the class definition; (2) there are legal questions and facts that are common to each of them; (3) the Plaintiffs’ claims are typical of the claims of the rest of the Class; (4) Plaintiffs, and the lawyers

representing the Class, will fairly and adequately represent the Class Members' interests; (5) the common legal questions and facts are more important than questions that affect only individuals; and (6) this class action will be more efficient than having individual lawsuits.

5. Why are there settlements?

The Court did not decide this case in favor of the Plaintiffs or Defendants. Instead, Counsel for the Settlement Class investigated the facts and applicable law regarding Plaintiffs' claims and Defendants' defenses. The parties engaged in lengthy arms-length negotiations to reach the Settlements. Plaintiffs and Counsel for the Settlement Class believe that the proposed Settlements are fair, reasonable, and adequate, and in the best interest of the Class.

Both sides agree that by settling, Anywhere and RE/MAX are not admitting any liability or that they did anything wrong. Both sides want to avoid the uncertainties and expense of further litigation.

WHO IS IN THE SETTLEMENT?

6. How do I know if I am a part of the Settlements?

You are a part of the Settlement Class if you: (1) sold a home during the Eligible Date Range; (2) listed the home that was sold on a multiple listing service anywhere in the United States; and (3) paid a commission to a real estate brokerage in connection with the sale of the home.

If you are uncertain as to whether you are a member of the Settlement Class, you may contact the Settlement Administrator at 888-995-0207 to find out.

THE SETTLEMENT BENEFITS

7. What do the Settlements provide?

If you are a member of the Settlement Class, you are eligible to receive a benefit under the Settlements.

Anywhere and RE/MAX have agreed to pay, collectively, \$138,500,000 into settlement funds. The funds will be distributed to qualifying Settlement Class members who submit an approved claim form, after any awarded attorneys' fees, expenses, settlement administration costs, and service awards have been deducted.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

8. How can I get a benefit?

To receive a benefit, a Settlement Class Member must submit a claim form with information pertaining to and/or evidence of your home sale and commissions paid to the Notice and Claims Administrator. The Notice and Claims Administrator will be responsible for reviewing all claim forms and evidence of purchase to determine whether a claim is an approved claim. The Notice and Claims Administrator will reject any claim that is not: (a) submitted timely and in accordance with the directions on the claim form, the provisions of this Settlement Agreement, and the

Preliminary Approval Order; (b) fully and truthfully completed by a Settlement Class Member with all of the information requested in the Claim Form; and (c) signed by the Settlement Class Member. Claims that cannot be confirmed by the Settlement Administrator may be subject to challenge, nonpayment, or a reduced share of the available funds.

You can submit a claim form by clicking this link, or by printing off the claim form from this website and returning it to the Settlement Administrator via mail or email on or before May 9, 2025.

9. When would I get my benefit?

The Court will hold a final Fairness Hearing at 10AM on May 9, 2024 in the United States District Court for the Western District of Missouri, 400 E. 9th St., Courtroom 7B, Kansas City, Missouri 64106, to decide whether to finally approve the Settlements. If the Settlements are approved, there may be appeals. Payments to members of the Settlement Class will be made only if the Settlements are approved and after any claims period and appeals are resolved. This may take some time, so please be patient.

10. What am I giving up to get a benefit?

Upon the Court's approval of the proposed Settlements, all members of the Settlement Class who do not exclude themselves (as well as their representatives) will release Anywhere and RE/MAX (and their affiliates, subsidiaries, franchisees, employees, and certain others who may be subject to claims with respect to Anywhere and RE/MAX as specified in the Settlement Agreements). All members of the Settlement Class who do not exclude themselves will release claims whether known or unknown that they ever had, now have, or hereafter may have and that have accrued as of the date of preliminary approval of the Settlement arising from or related to the Released Claims. "Released Claims" means any and all manner of claims regardless of the cause of action arising from or relating to conduct that was alleged or could have been alleged in the Actions based on any or all of the same factual predicates for the claims alleged in the Actions, including but not limited to commissions negotiated, offered, obtained, or paid to brokerages in connection with the sale of any residential home. The release does not extend to any individual claims that a class member may have against his or her own broker or agent based on a breach of contract, breach of fiduciary duty, malpractice, negligence or other tort claim, other than a claim that a class member paid an excessive commission or home price due to the claims at issue.

This release may affect your rights, and may carry obligations, in the future. To view terms of the release, review the Settlement Agreements, which are available at www.RealEstateCommissionLitigation.com.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from one or both of the Settlements, and you want to keep the right to sue or continue to sue Anywhere or RE/MAX, on your own, about the legal issues in this case,

Questions? Call 888-995-0207 or visit www.RealEstateCommissionLitigation.com to learn more.

then you must take steps to get out. This is called excluding yourself—or is sometimes referred to as opting out of the Settlement Class.

11. How do I ask to be excluded?

To ask to be excluded, you must execute and send a Request for Exclusion to the Settlement Administrator postmarked on or before the end of April 13, 2024. A Request for Exclusion must be personally signed by each potential Settlement Class Member requesting exclusion. Additionally, a Request for Exclusion must include the potential Settlement Class Member's present name and address, a clear and unequivocal statement that the potential Settlement Class Member wishes to be excluded from the Settlement Class as to Anywhere, RE/MAX, or both, and the signature of the putative Settlement Class Member or, in the case of a potential Settlement Class Member who is deceased or incapacitated only, the signature of the legally authorized representative of the putative Settlement Class Member.

If the request is not postmarked on or before April 13, 2024, your exclusion will be invalid, and you will be bound by the terms of the Settlements approved by the Court, including without limitation, the judgment ultimately rendered in the case, and you will be barred from bringing any claims against Anywhere or RE/MAX which arise out of or relate in any way to the claims in the case as specified in the release referenced in paragraph 10 above.

You must mail your Exclusion Request to:

Burnett et al. v. The National Association of Realtors et al.
c/o JND Legal Administration – Exclusion Dpt.
PO Box 91486
Seattle, WA 98111

12. If I don't exclude myself, can I sue Anywhere or RE/MAX for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Anywhere and/or RE/MAX for the claims that the Settlements resolve. If you have a pending lawsuit against Anywhere or RE/MAX, speak to your lawyer in that case immediately. You may have to exclude yourself from this Class to continue your own lawsuit. Remember, the exclusion deadline is April 13, 2024.

13. If I exclude myself, can I get benefits from the Settlements?

No. If you exclude yourself as to both the Anywhere and RE/MAX settlements, do not send in a claim form to ask for any money. If you exclude yourself only as to Anywhere, you may still ask for money from the Settlement with RE/MAX, and if you exclude yourself only as to RE/MAX, you may still ask for money from the Settlement with Anywhere. If you exclude yourself as to Anywhere or RE/MAX, you may sue, continue to sue, or be a part of a different lawsuit against Anywhere or RE/MAX.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court decided that the law firms Ketchmark and McCreight P.C.; Williams Dirks Dameron LLC; Boulware Law LLC; Hagens Berman Sobal Shapiro LLP; Cohen Milstein Sellers & Toll

Questions? Call 888-995-0207 or visit www.RealEstateCommissionLitigation.com to learn more.

PLLC; and Susman Godfrey LLP, are qualified to represent you and all other Settlement Class Members. These lawyers are called “Class Counsel.” You will not be charged for these lawyers. They are experienced in handling similar cases against other entities. More information about the law firms, their practices, and their lawyers’ experience is available at: www.kansascitylawoffice.com, www.williamsdirks.com, www.boulware-law.com, www.hbsslaw.com, www.cohenmilstein.com, and www.susmangodfrey.com.

Class Counsel represent the interests of the Settlement Class. You may hire your own attorney to advise you, but if you hire your own attorney, you will be responsible for paying that attorney’s fees.

15. How will the lawyers be paid?

Class Counsel will ask the Court for attorneys’ fees, in an amount not to exceed one-third (33.3%) of the settlement fund, plus out-of-pocket expenses incurred during the case. The Court may award less. Class Counsel will also seek compensation for each current and/or former class representative in the actions captioned *Burnett et al. v. The National Association of Realtors et al.*, Case No. 19-CV-00332-SRB, pending in the Western District of Missouri; and *Moehrl et al. v. The National Association of Realtors*, Case No. 19-CV-01610-ARW, pending in the Northern District of Illinois.

The Class Representatives will make their request for attorneys’ fees, costs, and service awards on or before February 29, 2024, and that request will be published on this website.

Anywhere and RE/MAX will pay the fees and expenses that the Court awards from the settlement fund. You are not responsible for any fees or expenses that the Court awards.

OBJECTING TO THE PROPOSED SETTLEMENT

You can tell the Court that you don’t agree with the Settlements or some part of them.

16. How do I tell the Court that I don’t like the Settlements?

If you are a Class Member, you can object to one or both of the Settlements if you do not like any part of them, including the forthcoming motion for attorneys’ fees, costs and service awards. You can give reasons why you think the Court should not approve them. The Court will consider your view. To object, you must file or send a written objection to the Court, in accordance with any instructions ordered by the Court, by April 13, 2024 or you will be deemed to have waived all objections and shall be foreclosed from making any objection (whether in opposition to the motion for Preliminary Approval, motion for attorneys’ fees, costs and service awards, motion for Final Approval, on appeal, or otherwise) to the Settlements. Be sure to include the case name and number (*Burnett et al. v. The National Association of Realtors et al.*, Case No. 19-CV-00332-SRB), your name, address, telephone number, your signature, and the reasons you object to the Settlements.

You must file any objection with the Clerk of the Court at the address below by April 13, 2024:

United States District Court for the Western District of Missouri
400 E. 9th St., Room 7462, Kansas City, Missouri 64106
Burnett et al. v. The National Association of Realtors et al., Case No. 19-CV-00332-SRB

Questions? Call 888-995-0207 or visit www.RealEstateCommissionLitigation.com to learn more.

You must also send your objection by first class mail, postmarked on or before April 13, 2024, to Class Counsel and Defendants' Counsel. These documents should be mailed to Class Counsel at:

Williams Dirks Dameron LLC
c/o Eric Dirks
1100 Main Street, Suite 2600
Kansas City MO 64105

and to Anywhere and RE/MAX Counsel at:

Faegre Drinker Biddle & Reath LLP
c/o Aaron Van Oort
2200 Wells Fargo Center, 90 South Seventh Street
Minneapolis, MN 55402

and

Jones Day
c/o Jeffrey LeVee
555 S. Flower Street, 50th Floor
Los Angeles, CA 90071

Any member of the Settlement Class who does not file and serve an objection in the time and manner described above will not be permitted to raise that objection later.

17. What's the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the Settlements. You can object to a Settlement only if you stay in it. Excluding yourself is telling the Court that you do not want to be part of a Settlement. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE COURT'S FAIRNESS HEARING

18. When and where will the Court decide whether to approve the Settlements?

There will be a final Fairness Hearing to consider approval of the proposed Settlements at 10AM on May 9, 2024 at the United States District Court for the Western District of Missouri, 400 E. 9th St., Courtroom 7B, Kansas City, Missouri 64106. The hearing may be postponed to a later date without further notice but any such postponements will be posted on the settlement website at www.RealEstateCommissionLitigation.com. The purpose of the hearing is to determine the fairness, reasonableness, and adequacy of the terms of the Settlements, whether the Settlement Class is adequately represented by the Plaintiffs and Class Counsel, and whether an order and final judgment should be entered approving the proposed Settlements. The Court will also consider Class Counsel's application for an award of attorneys' fees and expenses, and any class representative service awards.

Questions? Call 888-995-0207 or visit www.RealEstateCommissionLitigation.com to learn more.

You will be represented by Class Counsel at the Fairness Hearing unless you choose to enter an appearance in person or through your own counsel. The appearance of your own attorney is not necessary to participate in the Fairness Hearing.

19. Do I have to come to the hearing?

No. Class Counsel will represent the Settlement Class at the Fairness Hearing, but you are welcome to come at your own expense. If you send any objection, you do not have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend if you wish.

20. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your “Notice of Intention to Appear in *Burnett et al. v. The National Association of Realtors et al.*, Case No. 19-CV-00332-SRB.” Be sure to include your name, address, telephone number and your signature. Your Notice of Intention to Appear must be postmarked no later than April 13, 2024, and be sent to the Clerk of the Court, Class Counsel and Counsel for Anywhere and RE/MAX, at the addresses on pages 10-11, in Section 16. You cannot speak at the hearing if you excluded yourself.

ARE THERE OTHER REAL ESTATE COMMISSIONS LAWSUITS OR OTHER DEFENDANTS?

21. Are there other similar cases?

There are other class actions involving similar claims that are related to the Settlements, including: *Burnett et al. v. The National Association of Realtors et al.*, Case No. 19-CV-00332-SRB, pending in the Western District of Missouri; *Moehrl et al. v. The National Association of Realtors et al.*, Case No. 19-CV-01610-ARW, pending in the Northern District of Illinois; and *Nosalek v. MLS Property Information Network, Inc. et al.*, Case No. 20-CV-12244-PBS, pending in the district of Massachusetts, among others. The Settlements will settle the claims against Anywhere and RE/MAX that were brought in those cases, but it will not settle the claims against other Defendants in those cases. If you are a member of a class in one of those cases, you may have additional rights to participate in or exclude yourself from ongoing litigation in that case.

This is a pick for moist soils, but not waterlogged, in part-shade or even full shade in a sheltered position. Also known as tiarella, these hard deciduous perennials are awash with cones of frothy cream and pink petals in late spring through summer.

These reliable performers are low maintenance and rarely require pruning, however they can fall prey to mildew and slugs. Increase your stocks even more by dividing plants in spring.

06 Feb, 2024, 09:18 ET

SEATTLE, Feb. 6, 2024 /PRNewswire/ -- JND Legal Administration announces proposed settlements have been reached with Anywhere Real Estate, Inc. f/k/a Realogy Holdings Corp. ("Anywhere"), RE/MAX LLC ("RE/MAX"), and Keller Williams Realty, Inc. ("Keller Williams") resolving claims in a lawsuit known as *Burnett et al. v. National Association of Realtors, et al.*, Case No. 19-CV-003322-SRB (Western District of Missouri). The lawsuit alleges the existence of an anticompetitive agreement that resulted in home sellers paying inflated commissions to real estate brokers or agents in violation of antitrust law. Defendants include The National Association of Realtors ("NAR") and the following large real estate brokerage firms: Anywhere, RE/MAX, Keller Williams, and Berkshire Hathaway HomeServices. Only Anywhere, RE/MAX, and Keller Williams have reached proposed settlements. Both sides agree that by settling, Anywhere, RE/MAX, and Keller Williams are not admitting any liability or that they did anything wrong. The settlements also resolve claims against Anywhere, RE/MAX, and Keller Williams raised in at least two other lawsuits: *Moehrl et al. v. National Association of Realtors et al.*, Case No. 1:19-cv-01610-ARW (Northern District of Illinois); and *Nosalek v. MLS Property Information Network, Inc., et al.*, Case No. 1:20-cv-12244-PBS (District of Massachusetts). The Court has authorized this notice of the proposed settlements.

Am I affected?

You are a Settlement Class Member and eligible for payment if you: (1) sold a home during the Eligible Date Range; (2) listed the home that was sold on a multiple listing service ("MLS") anywhere in the United States; and (3) paid a commission to any real estate brokerage in connection with the

sale of the home. The Eligible Date Range depends on what MLS you listed your home for sale on. Go to www.RealEstateCommissionLitigation.com to see the Eligible Date Range and to learn more.

What do the settlements provide?

Anywhere, RE/MAX, and Keller Williams have agreed to pay, collectively, **\$208,500,000** into settlement funds. The funds will be distributed to qualifying Settlement Class Members who submit an approved claim form, after any awarded attorneys' fees, expenses, settlement administration costs, and service awards have been deducted.

How do I get a payment?

You must submit a claim form, with information pertaining to and/or evidence of your home sale and commissions paid, by **May 9, 2025**. Claim forms can be submitted online at www.RealEstateCommissionLitigation.com. You can also print a claim form at the website and mail it to *Burnett et al. v. The National Association of Realtors et al.*, c/o JND Legal Administration, PO Box 91479, Seattle, WA 98111, or email it to info@RealEstateCommissionLitigation.com.

What are my other options?

You may object to or exclude yourself (opt-out) from the settlements by **April 13, 2024**, or do nothing. If you exclude yourself, you will *not* receive a settlement payment, but this is the only option that allows you to sue Anywhere, RE/MAX, or Keller Williams for commission prices. If you wish to object, the Court will consider your views in deciding whether to approve or reject the proposed settlements. If the Court does not approve the settlements, no settlement payments will be sent, and the lawsuit will continue. You cannot object if you opt-out. By doing nothing, you will get no payment, and you will not be able to sue either Anywhere or RE/MAX for the same issues again. For more information, including how to object or exclude yourself, visit www.RealEstateCommissionLitigation.com.

What happens next?

The Court will hold a hearing on **May 9, 2024** to consider whether to grant final approval of the settlements and award fees and costs to the attorneys representing the class ("Class Counsel"). The Court has appointed the law firms of Ketchmark and McCreight P.C.; Williams Dirks Dameron LLC; Boulware Law LLC; Hagens Berman Sobal Shapiro LLP; Cohen Milstein Sellers & Toll PLLC; and Susman Godfrey LLP, as Class Counsel. Class Counsel will ask the Court to award an amount not to exceed one-third (33.3%) of the settlement funds, plus out-of-pocket expenses incurred during the case. The Court may award less. Class Counsel will also seek compensation for each current and/or former class representative involved in the actions captioned *Burnett et al. v. The National Association of Realtors et al.*, Case No. 19-CV-00332-SRB, pending in the Western District of Missouri; and *Moehrl et al. v. The National Association of Realtors*, Case No. 19-CV-01610-ARW, pending in the Northern District of Illinois. You will be represented by Class Counsel at the hearing unless you choose to enter an appearance in person or through your own counsel, at your own cost. The appearance of your own attorney is not necessary to participate in the hearing.

Is litigation continuing against Defendants who did not settle?

Yes. You may have additional rights and options related to ongoing lawsuits against non-settling defendants, including the *Moehrl* lawsuit. Go to www.RealEstateCommissionLitigation.com/Moehrl for more information.

Questions?

This Notice is only a summary. To learn more, visit www.RealEstateCommissionLitigation.com, call toll-free 888-995-0207, email info@RealEstateCommissionLitigation.com, or write *Burnett et al. v. The National Association of Realtors et al.*, c/o JND Legal Administration, PO Box 91479, Seattle, WA 98111.

SEATTLE, 6 de febrero de 2024 /PRNewswire-HISPANIC PR WIRE/ -- JND Legal Administration anuncia que se ha llegado a un acuerdo en los convenios de conciliación propuestos con Anywhere Real Estate, Inc., anteriormente, Realogy Holdings Corp. ("Anywhere"), RE/MAX LLC ("RE/MAX") y Keller Williams Realty, Inc. ("Keller Williams") que resuelve los reclamos planteados en una demanda judicial caratulada como *Burnett et al. contra National Association of Realtors, et al.*, Causa No. 19-CV-003322-SRB (Distrito Oeste de Missouri). La demanda alega que existe un acuerdo anticompetitivo por el cual los vendedores de viviendas debieron pagar comisiones infladas a los corredores o agentes inmobiliarios, infringiendo así la legislación antimonopolio. Entre los demandados se encuentran The National Association of Realtors ("NAR") y las grandes empresas de intermediación inmobiliaria siguientes: Anywhere, RE/MAX, Keller Williams y Berkshire Hathaway HomeServices. Solamente Anywhere, RE/MAX y Keller Williams han convenido las resoluciones propuestas. Ambas partes están de acuerdo en que, al haber convenido una resolución, Anywhere, RE/MAX y Keller Williams no admiten ninguna responsabilidad ni que hayan hecho nada indebido. Asimismo, los acuerdos de conciliación resuelven los reclamos contra Anywhere, RE/MAX y Keller Williams planteados en al menos otras dos demandas judiciales, entre ellas, las caratuladas: *Moehrl et al. contra National Association of Realtors et al.*, Causa No. 1:19-cv-01610-ARW (Distrito Norte de Illinois) y *Nosalek contra MLS Property Information Network, Inc. et al.*, Causa No. 1:20-cv-12244-PBS (Distrito de Massachusetts). El Tribunal ha autorizado que se notificaran los acuerdos de conciliación propuestos en este comunicado.

¿Cómo se si esto me concierne?

Usted puede ser miembro de la conciliación colectiva y tiene derecho al pago si: (1) vendió una vivienda durante el intervalo de fechas admisibles; (2) incluyó la vivienda vendida en un servicio de colaboración entre agentes inmobiliarios en cualquier lugar de Estados Unidos y (3) pagó una comisión a cualquier agencia inmobiliaria con motivo de la venta de la vivienda. El intervalo de fechas admisibles depende del servicio de colaboración entre agentes inmobiliarios en el que haya puesto a la venta su vivienda. Visite www.RealEstateCommissionLitigation.com para ver el intervalo de fechas admisibles y obtener más información.

¿Qué ofrecen los convenios de conciliación?

Anywhere, RE/MAX y Keller Williams han convenido pagar, colectivamente, **\$208,500,000** en fondos de conciliación. Los fondos se distribuirán a los miembros de la conciliación colectiva que reúnan los requisitos y presenten un formulario de reclamo aprobado, una vez deducidos los honorarios de los abogados, gastos, costas de administración del acuerdo y remuneraciones por los servicios prestados.

¿Cómo hago para recibir el pago?

Debe presentar un formulario de reclamo con información y/o pruebas de la venta de su vivienda y las comisiones que haya pagado, antes del **9 de mayo de 2025**. Los formularios de solicitud se pueden presentar en Internet en www.RealEstateCommissionLitigation.com. También puede imprimir un formulario de reclamo en el sitio web y enviarlo por correo a *Burnett et al. v. The National Association of Realtors et al.*, c/o JND Legal Administration, PO Box 91479, Seattle, WA 98111, o enviarlo por correo electrónico a info@RealEstateCommissionLitigation.com.

¿Qué otras opciones tengo?

Puede objetar los acuerdos de conciliación o excluirse (salir) de ellos antes del **13 de abril de 2024**, o no hacer nada. Si se excluye, no recibirá el pago del acuerdo, pero ésta es la única opción que le permite volver a demandar a Anywhere, a RE/MAX o a Keller Williams con motivo de los precios de las comisiones. Si desea oponerse, el Tribunal tendrá en cuenta sus opiniones para decidir si aprueba o rechaza los acuerdos de conciliación propuestos. Si el Tribunal no aprueba los acuerdos de conciliación, usted puede  [Case 4:19-cv-01332-SRB Document 149-3 Filed 05/02/24 Page 157 of 189](#)

oponerse si prefiere salirse del convenio. Si no hace nada, no recibirá ningún pago y no podrá volver a demandar ni a Anywhere ni a RE/MAX por las mismas causas. Para más información, en particular, sobre cómo oponerse o excluirse, visite www.RealEstateCommissionLitigation.com.

¿Cuáles son los próximos pasos?

El Tribunal convocará a una audiencia el **9 de mayo de 2024** para evaluar si concede la aprobación final de los acuerdos de conciliación y adjudica honorarios y costas a los abogados que representan al grupo ("Abogados del grupo"). El Tribunal ha designado como Abogados del grupo a los bufetes Ketchmark and McCreight P.C., Williams Dirks Dameron LLC; Boulware Law LLC; Hagens Berman Sobal Shapiro LLP, Cohen Milstein Sellers & Toll PLLC y Susman Godfrey LLP. Los Abogados del grupo le pedirán al Tribunal que conceda una cantidad que no supere un tercio (33,3%) de los fondos del acuerdo de conciliación, más los gastos en que se hubiera incurrido durante la causa. El Tribunal podrá otorgar un monto inferior. Asimismo, los Abogados del grupo de demandantes también solicitarán una indemnización para cada representante actual y/o anterior del grupo de demandantes implicado en las demandas judiciales caratuladas como *Burnett et al. contra The National Association of Realtors et al.*, Causa No. 19-CV-00332-SRB, pendiente en el Distrito Oeste de Missouri y *Moehrl et al. contra The National Association of Realtors*, Causa No. 19-CV-01610-ARW, pendiente en el Distrito Norte de Illinois. El lector será representado por el Abogado del grupo en la audiencia, a menos que decida comparecer en persona o a través de su propio abogado, corriendo el lector con los gastos correspondientes. La comparecencia de su propio abogado no es necesaria para participar en la audiencia.

¿Continúan los litigios contra los demandados que no llegaron a un acuerdo conciliatorio?

Sí. El lector puede tener derechos y opciones adicionales en relación con los litigios en curso contra los demandados que no hayan llegado a un acuerdo de conciliación, en particular, en la demanda judicial de *Moehrl*. Visite www.RealEstateCommissionLitigation.com/Moehrl para obtener más información.

SEATTLE, Feb. 27, 2024 /PRNewswire/ -- JND Legal Administration

A class action lawsuit called *Moehrl et al. v. National Association of Realtors, et al.*, No. 1:19-cv-01610 ("Moehrl v. NAR" or "Moehrl") is pending in the United States District Court for the Northern District of Illinois (the "Court"). The lawsuit alleges the existence of an anticompetitive agreement that resulted in home sellers paying inflated commissions to real estate brokers or agents in violation of antitrust law. Defendants deny the allegations and the Court has not decided whether Defendants did anything wrong.

Who is included in the Litigation Damages Class?

Plaintiffs are a class of home sellers certified by the Court. To be part of the "Litigation Damages Class" in the ongoing *Moehrl* lawsuit, you need to have (1) sold a home between March 6, 2015 and December 31, 2020; (2) used a real estate agent or broker affiliated with a Corporate Defendant to sell the home; (3) paid a commission to your agent or broker; and (4) listed the home for sale on what is referred to as a "Covered Multiple Listing Service." ("Covered MLS")

Defendants include The National Association of Realtors ("NAR") and several large real estate brokerage firms referred to here as "Corporate Defendants." The Corporate Defendants are Keller Williams; RE/MAX; Anywhere Real Estate f/k/a Realogy (which is affiliated with brands including Better Homes and Gardens, Century 21, Coldwell Banker, Corcoran, ERA Real Estate, and Sotheby's) (collectively "Anywhere"); and HomeServices of America and certain of its subsidiaries (which are together affiliated with brands including Berkshire Hathaway HomeServices, BHHS, Ebby Halliday, Edina Realty, First Weber, Kentwood, Long & Foster, Lovejoy, Midwest Preferred, Preferred Carolinas, Real Living, RLRE, and Roy H. Long Realty) (collectively, "HomeServices").

The Covered MLSs and jurisdictions are:

- Bright MLS (Delaware, District of Columbia, Maryland, New Jersey, Pennsylvania, Virginia, West Virginia)
- Carolina/Canopy MLS (North Carolina, South Carolina)

Have there been any Settlements?

Plaintiffs have entered into proposed Nationwide Settlements for \$208.5 million and other benefits with three of the Defendants—Anywhere, RE/MAX, and Keller Williams (the "Settling Defendants"). If finally approved, the settlements will resolve claims against Anywhere, RE/MAX, and Keller Williams raised in this lawsuit as well as in at least two other lawsuits: *Burnett, et al. v. National Association of Realtors, et al.*, Case No. 19-CV-00332-SRB (Western District of Missouri); and *Nosalek v. MLS Property Information Network, Inc. ("MLS PIN"), et al.*, Case No. 1:20-cv-12244-PBS (District of Massachusetts). The *Moehrl v. NAR* case will proceed in federal court in Illinois against any Defendants who do not settle. Additional settlements may be reached with other Defendants. See www.RealEstateCommissionLitigation.com for information about further developments in this litigation, including information about any additional settlements.

Who is included in the Settlement Class?

The Settlement Class is broader than the *Moehrl* Litigation Damages Class. It includes home sellers who are members of the *Moehrl* Litigation Damages Class, as well as many other home sellers. You may be eligible to benefit from the Nationwide Settlements, if you: (1) sold a home during the "Eligible Date Range"; (2) listed the home that was sold on a multiple listing service ("MLS") anywhere in the United States; and (3) paid a commission to any real estate brokerage in connection with the sale of the home. The Settlement Agreements include a Release of Claims. Notice regarding the Nationwide Settlements and the claims being released is being provided separately. Additional information, including the "Eligible Date Range" is available at: www.RealEstateCommissionLitigation.com.

What are your rights and options?

You may have rights under both the ongoing *Moehrl* lawsuit and the Nationwide Settlements.

Moehrl Lawsuit - Litigation Damages Class:

There is no money available now in the ongoing *Moehrl* lawsuit against the Non-Settling Defendants, and no guarantee there will be. However, your legal rights are affected, and you have a choice to make now.

Your legal rights are also affected under the proposed Settlements with RE/MAX, Anywhere, and Keller Williams, and you have a choice to make now.

To get a payment in the **Settlements**, you must submit a claim by **May 9, 2025**. For further information about the proposed Settlements and where to submit a claim, go to www.RealEstateCommissionLitigation.com.

Rights and Options:

- Do Nothing. (Stay in the **Moehrl lawsuit**. Await the outcome. Give up certain rights.)

- Ask to be Excluded from the Settlements – **But Not** the *Moehrl* Litigation Damages Class.
- Ask to be Excluded from the *Moehrl* Litigation Damages Class – **But Not** the Settlements.

National Association of Realtors, et al.* You may also get an Exclusion Request form at www.RealEstateCommissionLitigation.com/Moehrl. To be accepted, your Exclusion Request letter must be postmarked by **April 13, 2024**, and addressed to:

Moehrl et al. v. The National Association of Realtors et al.
c/o JND Legal Administration – Exclusion Dpt.

Seattle, WA 98111

To object to or exclude yourself (opt-out) from one or both of the settlements with Settling Defendants, you must do so by **April 13, 2024**. The deadline to submit a claim for a payment in the Nationwide Settlements is **May 9, 2025**. To learn more about the Nationwide Settlements, how to file a claim, and rights you would be releasing, go to www.RealEstateCommissionLitigation.com.

The Trial.

As long as the *Moehrl* case isn't resolved by a settlement or otherwise, Plaintiffs will have to prove their claims at a trial to recover from any Defendants who do not have approved settlements. The Court appointed the law firms Hagens Berman Sobol Shapiro LLP, Cohen Milstein Sellers & Toll PLLC, and Susman Godfrey L.L.P. to represent members of the *Moehrl* Litigation Classes as Class Counsel. You do not need to attend the trial. Class Counsel will present the case for Plaintiffs and the Litigation Classes, and lawyers for the Defendants will present on their behalf. You or your own lawyer are welcome to come at your own expense.

SEATTLE, 27 de febrero de 2024 /PRNewswire-HISPANIC PR WIRE/ -- JND Legal Administration

La acción colectiva denominada *Moehrl et al. v. National Association of Realtors, et al.*, causa n.º 1:19-cv-01610 ("Moehrl v. NAR" o "Moehrl") está pendiente ante el Tribunal Federal de los Estados Unidos de América para el Distrito Norte de Illinois (el "Tribunal"). La demanda alega que existe un acuerdo anticompetitivo por el cual los vendedores de viviendas debieron pagar comisiones infladas a los corredores o agentes inmobiliarios, infringiendo así la legislación antimonopolio. Las partes demandadas niegan las acusaciones y el Tribunal no ha tomado una decisión acerca de los supuestos hechos indebidos.

¿Quién se incluye en el grupo de resarcimiento de costes procesales e indemnizaciones punitivas?

La parte demandante es un grupo de vendedores de viviendas certificado por el Tribunal. Para sumarse a la "acción colectiva de resarcimiento de costes procesales e indemnizaciones punitivas" en el procedimiento legal en curso *Moehrl*, es necesario (1) haber vendido una vivienda entre el 6 de marzo de 2015 y el 31 de diciembre de 2020; (2) haber utilizado un agente inmobiliario o corredor

afiliado a una empresa demandada para vender la vivienda; (3) haber pagado una comisión a su agente o corredor; y (4) haber puesto la vivienda en venta en lo que se conoce como un "Servicio de acuerdo múltiple de venta cubierto" ("MLS cubierto").

En la parte demandada se encuentran la Asociación Nacional de Agentes de Bienes Raíces ("NAR") y varias grandes empresas de corredores de bienes raíces, en lo sucesivo, "empresas demandadas". Las empresas demandadas son Keller Williams, RE/MAX, Anywhere Real Estate f/k/a Realogy (afiliada a marcas como Better Homes and Gardens, Century 21, Coldwell Banker, Corcoran, ERA Real Estate y Sotheby's) (en lo sucesivo, "Anywhere"); y HomeServices of America y algunas de sus filiales (afiliadas en conjunto a marcas como Berkshire Hathaway HomeServices, BHHS, Ebby Halliday, Edina Realty, First Weber, Kentwood, Long & Foster, Lovejoy, Midwest Preferred, Preferred Carolinas, Real Living, RLRE y Roy H. Long Realty) (en lo sucesivo, "HomeServices").

Los MLS cubiertos y los territorios jurisdiccionales son los siguientes:

- Bright MLS (Delaware, Distrito de Columbia, Maryland, Nueva Jersey, Pensilvania, Virginia, Virginia Occidental)
- Carolina/Canopy MLS (Carolina del Norte, Carolina del Sur)
- Triangle MLS (Carolina del Norte)
- Stellar MLS (Florida)
- Miami MLS (Florida)
- Florida Gulf Coast MLS (Florida)
- Realcomp II (Míchigan)
- Metro MLS (Wisconsin)
- Northstar MLS (Minnesota, Wisconsin)
- Yes MLS/MLS Now (Ohio, Virginia Occidental)
- Columbus Realtors MLS (Ohio)
- Wasatch Front MLS/Utah Real Estate (Utah)
- REcolorado/Metrolist (Colorado)
- Pikes Peak MLS (Colorado)
- GLVAR MLS (Nevada)
- SABOR (Texas)
- ACTRIS/ABOR (Texas)
- HAR MLS (Texas)
- NTREIS (Texas)
- ARMLS (Arizona)

¿Ha habido algún acuerdo?

Las partes demandantes han llegado a acuerdos propuestos a nivel nacional por 208.5 millones de dólares y otras prestaciones con tres de las partes demandadas: Anywhere, RE/MAX y Keller Williams (las "partes demandadas conformes"). Si finalmente se homologan, los acuerdos resolverán los recursos contra Anywhere, RE/MAX y Keller Williams presentados en este procedimiento legal, así como en al menos otros dos procedimientos: *Burnett, et al. v. National Association of Realtors, et al.*, causa n.º 19-CV-00332-SRB (Distrito Occidental de Misuri); y *Nosalek v. MLS Property Information Network, Inc. ("MLS PIN"), et al.*, causa n.º 1:20-cv-12244-PBS (Distrito de Massachusetts). La causa *Moehrl v. NAR* proseguirá su curso en un tribunal federal de Illinois contra las partes demandadas no conformes. Es posible que se llegue a acuerdos adicionales con otras partes demandadas. Entre en www.RealEstateCommissionLitigation.com para seguir el desarrollo de este pleito, incluida información sobre posibles acuerdos adicionales.

¿Quién se incluye en el grupo de conciliación?

El grupo de conciliación es más amplio que el de la acción colectiva de resarcimiento de costes procesales e indemnizaciones punitivas de la causa *Moehrl*. Incluye a vendedores de viviendas que son miembros de la acción colectiva de resarcimiento de costes procesales e indemnizaciones punitivas de la causa *Moehrl*, así como a muchos otros vendedores de viviendas. Usted podrá beneficiarse de los acuerdos a nivel nacional si: (1) vendió una vivienda durante el "intervalo de fechas admisibles"; (2) incluyó la vivienda vendida en un servicio de acuerdo múltiple de venta ("MLS") en cualquier lugar de Estados Unidos; y (3) pagó una comisión a cualquier agencia inmobiliaria en relación con la venta de la vivienda. Los acuerdos de conciliación incluyen una exoneración de reclamaciones. La notificación relativa a los acuerdos a nivel nacional y a las reclamaciones exoneradas se envía por separado. We'll round things out with a handful of new settlements. Most notably, we have in-depth coverage on proposed settlements that cover those who, during certain eligible date ranges, sold a home that was listed on an MLS and paid a commission to a real estate brokerage in connection with the sale. If you sold a home during the eligible date range that was listed on a multiple listing service anywhere in the U.S. and paid a commission to a real estate brokerage in connection with the home sale, you may be entitled to money from proposed class action settlements. The deals were reached to settle claims that Anywhere, RE/MAX, and Keller Williams implemented anticompetitive and illegal rules that required home sellers to pay commissions to the buyer's agent or broker – essentially raising the total commissions sellers had to pay. The eligible date range depends on what multiple listing service was used. Head over to [this page](#) for more details and a link to the official settlement site – and make sure you get your claim in by the deadline on May 9, 2025.

Volkswagen, Audi Fuel Pump Issues May Prompt Lawsuit

If you own or lease a **2015-2020 Volkswagen Golf or Audi A3** and have had problems with your vehicle's fuel tank suction jet pump, you aren't alone.

In 2016, a recall was issued for certain older models over concerns the cars were sold with damaged pumps – but attorneys believe the recall didn't cover enough vehicles and are now looking into whether a lawsuit could be filed.

A successful case **could help drivers get back some of the money** they spent on repairs and potentially force the manufacturer to provide a permanent fix.

NC State University: Toxic Chemicals Making People Sick?

If you worked at **North Carolina State University's Poe Hall** and **developed cancer**, toxic chemicals used in the building's construction may be to blame. As attorneys investigate this connection, they're also working to get lawsuits on file to help provide compensation to staff members and their families. More information can be found below.

Also in this issue, we have an investigation into **Wyndham hotels** over **potential privacy violations** and another looking at certain **Volkswagen** and **Audi vehicles** in light of reports that some drivers are having **problems with their fuel tank suction jet pumps**.

We'll round things out with a handful of new settlements. Most notably, we have in-depth coverage on proposed settlements that cover those who, during certain eligible date ranges, **sold a home that was listed on an MLS and paid a commission to a real estate brokerage** in connection with the sale. NCSU – Did You Get Sick from Chemicals at Poe Hall?

In November 2023, North Carolina State University closed Poe Hall after testing reportedly revealed **high levels of polychlorinated biphenyls (PCBs)**, chemical compounds that were used in a wide range of industrial products before being banned in 1979 due to health concerns.

According to reports, PCBs were detected at levels of **up to 38 times the EPA's limit** in a **women's bathroom, computing facility and offices** in Poe Hall.

Now, attorneys are looking to file lawsuits on behalf of those who worked at Poe Hall for more than two years and developed **certain types of cancer**.

Specifically, attorneys believe that a tracking tool may be allowing Wyndham to **secretly collect and share the private information** of those who booked travel through **WyndhamHotels.com** and are now gathering affected consumers to take action via mass arbitration.

While there are no guarantees, certain state privacy laws provide that consumers who had their rights violated **could be owed anywhere from \$100 to \$5,000 each**. If you have a Facebook account and made a booking on **WyndhamHotels.com**, you can [learn more here](#).
